

## CARING FOR COMMUNITIES & PEOPLE

---

Ross Webber

Worcestershire HoPES and Redditch & Bromsgrove  
Rough Sleeper Project Manager

Our priority is to people who have serious and  
immediate need, equipping them to meet the  
demands of an ever-evolving society.

- SWEPE Explained – Shelter for all, Outreach & Partnership Working
  - Key differences this year for Worcestershire
  - The Beast from the East – Redditch
  - Season extended to the end of April
- 

## Statistics

---

- 56 Activations to date (16 in total last year)
- 96 different clients have accessed the Worcester SWEP and 9 different clients in Redditch - 105 in total.
- 2 Dogs have also been sheltered
- 34 members of staff/ volunteers have worked on shift including some from Radiate Redditch and Maggs Day Centre
- The longest single spell was 11 nights
- Police call outs = 2
- Ambulance call outs = 2
- Lives have been saved!

Reconnected	1
Unknown or DNE (including some that came to SWEP but did not stay the night)	45
<b>Total</b>	<b>96</b>

## Vision for next year

---

- A local SWEP in each district
- Larger premises/ extended facilities for Worcester City (The Salvation Army)
- Longer opening hours to allow better engagement in the morning
- Partnership Out Reach with the Maggs Day Centre MOATS Team
- A pop up Café to provide warmth and support during the day
- Harness the support of all nonprofessional support groups
- Agreement with the Police around CRASBOs etc.

Thank you

Any questions?
